Dear Livestock and Dairy Friends,

Sixteen years ago, the state of Delaware opened its doors to livestock youth across the country, to visit Delaware and compete in the Delaware Livestock Exposition, now the Livestock and Dairy Exposition! This show is for breeding animals and prospect livestock owned by youth exhibitors 21 years of age and younger. Many kids raise livestock year-round, and this show provides an opportunity for young people to showcase what they have produced.

The mission of the Delaware Livestock Exposition is to offer hands-on learning, education, and character-building opportunities for youth. This junior event supports youth education and provides greater knowledge and appreciation for the agriculture industry. It is the vision of the committee to provide a respectable, competitive event, where youth can build relationships, exhibit their work, and feel proud of themselves when they leave.

This show wouldn't be possible without the generous support the show receives from friends, private industry and like-minded organizations.

If you are able to make a donation, please consider these options:

Platinum Donor - \$1000 and up

Gold Donor - \$500-\$999

Silver Donor - \$200-\$499

Bronze Donor - \$199 and under

There are several ways to support the expo. Consider making a **donation online** here: <https://bit.ly/3ykCa6d>. If you choose to **donate by mailing in a check**, please complete the attached form and mail with your check to the address listed at the top. You will be sent a receipt for your donation and the committee will thankfully recognize you and/or your business at every opportunity available.

The Delaware Livestock Exposition is a 501(c)(3) tax-exempt organization (Federal ID Number 20-2034621). Pursuant to Internal Revenue Code, requirements for substantiation of charitable contributions, the Delaware Livestock Exposition provided no goods or services in return for these contributions.

We are thankful for industry supporters who have provided financial support and in-kind donations to make this show possible. The Delaware Department of Agriculture, under the direction of Sec. Scuse and the Delaware State Fair have been the biggest sponsors of this event. We are also grateful for the many additional supporting organizations, businesses and individuals who have provided generous support.

Thank you for your consideration in supporting our show.
